Dear Sir/Madam,

REGISTRATION FOR 2026 EDUKIDS MATHEMATICS CONTEST (EMC)

Greetings from Edukids Technology Sdn. Bhd. We are pleased to invite your school to participate in the **EMC Mathematics Contest (EMC)**, integrating internationally recognized assessment methodologies to evaluate mathematical capabilities effectively. The **EMC** is designed based on the syllabus of mathematics set by the Ministry of Education. It aims to comprehensively evaluate students' overall mathematical learning and problem-solving abilities.

EMC is not an Olympiad-level mathematics competition and does not emphasise overly difficult or unconventional questions. Instead, the assessment is based on students' actual learning level and is suitable for students of different abilities. All participating students will receive an individual assessment report to provide a clearer understanding of their mathematics proficiency and learning progress.

2. Competition Details

Date	: 7 th – 11 th September 2026 <i>(The school may choose any one day within stated period)</i>
Duration	: 60 minutes
Categories	: 1. Pre-School (K1/K2) 2. Primary School (Standard 1 to Standard 6) 3. Secondary School (Form 1 to Form 5)
Languages	: English, Malay and Mandarin
Venue	: All participating schools <i>(conducted on school)</i>

3. EMC Preparatory Learning Materials

Students may subscribe to the EMC learning materials for revision and competition preparation purposes. Students who subscribe to the learning materials will automatically be eligible to participate in the EMC competition. The organizer will provide learning materials and practice exercises according to the respective levels and competition content.

Fee for Learning Materials: RM 72.00

(For each participating student who purchases the learning materials, a contribution of RM3 per student per category will be provided to the school to support school mathematics activities, postage, and related administrative purposes.)
